

Product Specification Sheet

Laser Stow-N-Go™ Laptop Mouse

Part #: AMU41CA

Product Description:

The Laser Stow-N-Go™ Laptop Mouse offers the latest in laser technology providing 20 times more tracking sensitivity than typical optical mice. The unique Stow-N-Go™ cable attaches to the bottom of the mouse providing cable management – so no more tangled cables! Changing DPI between 1600/1200/800 adjusts cursor speed to your preference of faster to slower; designed for today's widescreen laptops.

Product Features and Specifications:

- Retractable cable technology: 2.5 ft retractable USB cable provides convenient cable management for ease of use while traveling
- Tilt-wheel technology: Scroll side-to-side, plus up and down, for quick and efficient viewing of spreadsheets, photos, web pages and more
- One-touch tracking speed adjustment: Changing DPI between 1600/1200/800 adjusts cursor speed to your preference of faster to slower; designed for today's widescreen laptops
